Draft Guide by Position (high → low)

QB — wait, never before Rd 6

- High/value (R5-6): Josh Allen (BUF), Lamar Jackson (BAL)
- Sweet spot (R6-9): Jayden Daniels (WAS), Jalen Hurts (PHI), Joe Burrow (CIN), Drake Maye (NE)
- Late/stream: Bo Nix (DEN), Caleb Williams (CHI), Dak Prescott (DAL), Mahomes (KC), Murray (MIN)

RB — premium in PPR, secure early

- R1: Jahmyr Gibbs (DET), Bijan Robinson (ATL), De'Von Achane (MIA), Jonathan Taylor (IND), Saquon Barkley (PHI)
- R2-4: Ashton Jeanty (LV), James Cook (BUF), Kyren Williams (LAR), Derrick Henry (BAL), Chase Brown (CIN), Bucky Irving (TB)
- R5-8: Cam Skattebo (NYG), D'Andre Swift (CHI), Breece Hall (NYJ), Kenneth Walker III (SEA), Jonathon Brooks (CAR)
- Late: J.K. Dobbins (DEN), Bhayshul Tuten (JAX), Rachaad White (TB), Tyler Allgeier (ARI), George Holani (SEA), Roschon Johnson (CHI)
- AVOID: Josh Jacobs (GB, Exempt List), Jeremiyah Love (ARI), RJ Harvey (DEN), Chuba Hubbard (CAR), Zach Charbonnet (SEA)

WR — deep pool, be patient

- R1-2: Ja'Marr Chase (CIN), Puka Nacua (LAR), Justin Jefferson (MIN), Jaxon Smith-Njigba (SEA), Amon-Ra St. Brown (DET), CeeDee Lamb (DAL)
- R2-4: Drake London (ATL), Malik Nabers (NYG), Nico Collins (HOU), Rashee Rice (KC), A.J. Brown (NE)
- R4-6: Ladd McConkey (LAC), Chris Olave (NO), George Pickens (DAL), Garrett Wilson (NYJ), Tee Higgins (CIN), Davante Adams (LAR), DK Metcalf (PIT), Mike Evans (SF)
- R7+: Jaylen Waddle (DEN), Terry McLaurin (WAS), Zay Flowers (BAL), Rome Odunze (CHI), Deebo Samuel (SF), Stefon Diggs (WAS), Emeka Egbuka (TB), Alec Pierce (IND)
- AVOID: Courtland Sutton (DEN), Luther Burden III (CHI), Jordyn Tyson (NO)

TE — pay for the top 2, or wait

- High (R2-3): Brock Bowers (LV), Trey McBride (ARI)
- Value (R7-9): Tucker Kraft (GB)
- Mid: Sam LaPorta (DET), Tyler Warren (IND) | Late/stream: Colston Loveland (CHI), Fannin (CLE)
- Don't pay up: George Kittle (SF) — on PUP

D/ST & K — last two rounds only

- D/ST: stream a soft Week-1 matchup over 'the best defense.'
- K: distance-based scoring rewards big legs (60+ FG = 6 pts). Never before your last pick.

Key Flags Going In

- Puka Nacua (LAR) — back to practice, on track for Week 1. Draft with confidence.
- Ashton Jeanty (LV) — HC “counting on him” for Wk1; ADP fell to ~pick 18 = real value.
- Malik Nabers (NYG) — coach optimistic, Nabers himself still cautious. Small discount is fair, don't pay full price.
- Josh Jacobs (GB) — Commissioner's Exempt List, out indefinitely. Off the board.
- Kaleb Johnson (GB) & Roschon Johnson (CHI) — deep-league RB darts only, don't reach.
- Christian McCaffrey (SF) — value range is picks 10-13, not top-8.
- Emeka Egbuka (TB) — monitor before locking in as a WR3.

Final Checklist Before You Sit Down

- Confirm draft room link/time — 8:00 PM ET tonight.
- One-line pick format only during the draft: fast, no long explanations needed.
- Picks 13 & 28 aren't back-to-back — expect a normal wait between them, just plan RB+WR across the pair.
- Check bye weeks as you go, not after — avoid stacking two starters on the same bye.
- D/ST and K: genuinely wait until the last two rounds.
